**Subject: XtendiMax® With VaporGrip® Technology, EPA Reg. No. 264-1210;
Fast Track Amendment: Submission of Amended Master Label
and New Supplemental Label**

Dear Emily Schmid,

Bayer CropScience LP (Bayer) is herein submitting a fast track amendment to amend the master label for and add a new supplemental label to the XtendiMax With VaporGrip Technology (EPA Reg. No. 264-1210, Decision No. 564515) registration. The amended master label and new supplemental label contain the following updates:

The application and use requirements on the container label are subject to change. Therefore, you must check www.xtendimaxapplicationrequirements.com within 30 days of application of this product for all changes, including state restrictions.

To obtain Bulletins, no more than 30 days before using this product, consult <https://www.epa.gov/endangered-species/bulletins-live-two-view-bulletins> or call 1-844-447-3813.

This application is being submitted electronically and contains the following:

- This cover letter
- Application for Pesticide Registration (EPA Form 8570-1)
- Amended Master Label (clean and highlighted)
- New Supplemental Label

Please contact me or George Sabbagh in our Washington D.C. office at (913) 231-6291 or george.sabbagh@bayer.com should you have any questions.
